Dear Yellowstone Families:

The mission of the transportation program at Yellowstone Schools is to provide safe, reliable, and efficient transportation on a daily basis so that students are able to get to school and maximize their time in the classroom. Because of this we have updated the bus routes to make sure they are more accurate with their timing and get students to school on time. These changes will start on Monday, August 30<sup>th</sup>.

The big change you will want to pay attention to is that the Corder & Scott St. stop has changed to Route 1 with a 6:55 am pick up and 4:25 pm drop off. This change was made to even out the number of riders on a bus. Students on this stop will automatically be changed to Bus 1 in our system, so you don't need to make a route change request.

Please be mindful that students are expected to be at the stop and ready to board 10 minutes before the scheduled stop time. Bus Drivers are instructed not to stop or open the door for late students once the bus begins to move for safety reasons. In the afternoon, a parent/guardian/designated adult must be present at the stop and have the school parent pick up car tag in order to pick up a student from the bus stop. If an adult is not present and/or does not have credentials, the student will be returned to campus.

Finally, we have high expectations for student behavior on the buses and students will be expected to uphold those behavior standards. As a part of that all students are required to wear a mask before getting on, during, and as they get off the bus. **Parents, please remind students to keep masks on so we don't have to take students off the bus for not wearing a mask.**

We truly do appreciate your patience this first week of school with some of the delays and pray this will solve that problem. If you have any daily route changes, questions, or concerns, please feel free to contact the transportation hotline at 281-317-6079.

Sincerely,

Damon Gunn  
Director of Campus Services

\*Note to Parents: Please note that the stop arrival times in the AM and PM are estimated times of arrival. Please have your student at the stop ready to board the bus at least 10 minutes prior to the scheduled arrival time. Students should not wait in cars for the arrival of the bus except in cases of severe weather. Your assistance with this policy will help to ensure our buses arrive at school on schedule. Thank you!
