

Dear Yellowstone Families,

As we close another remarkable school year, I am filled with immense pride and gratitude for each and every one of our students, families, and staff members. Together, we launched a 9th-grade class, successfully expanded into our beautiful new campus addition, added two new buses, and persevered through storms and tornadoes. We hosted a successful Party in the Park, our annual fundraising event, reinstated Yellowstone's PTO, and established the first-ever Lion's Council for lower and upper schools. Additionally, the girls' basketball team earned second place in the state.

I congratulate our students for their hard work, resilience, and achievements throughout this school year. Your dedication to learning, growth, and community exemplifies the spirit of Yellowstone, and I am honored to witness your progress firsthand.

Looking ahead to the 2024-25 school year, I am thrilled to announce that we will launch our 10th grade, marking another significant milestone in our journey. With each passing year, we continue to expand and enhance our high school program, providing our students with a comprehensive and enriching educational experience.

I am pleased to share that we are nearly fully staffed for the upcoming school year, ensuring our students will have the support and guidance they need to thrive academically, socially, and emotionally.

To help you prepare for the upcoming school year, we will soon send you information about uniforms and school supplies, along with a draft calendar highlighting important dates, including family orientation sessions. These resources are designed to ensure a smooth transition and provide you with all the necessary information to start the new school year on the right foot. You can find all these resources and more

as soon as they are available on our back-to-school website at <https://yellowstoneschools.org/back2school>.

I encourage all parents to take a moment to ensure that your student is registered for the fall semester. If you have any questions or concerns about enrollment, please don't hesitate to contact our enrollment team at [enrollment@yellowstoneschools.org](mailto:enrollment@yellowstoneschools.org). We are here to support you every step of the way.

As we conclude this school year, let us reflect on the growth, joy, and learning moments that have defined our journey together. I am confident that the best is yet to come for Yellowstone Schools, and I am excited to continue our shared mission of empowering future leaders and lifelong learners.

Thank you for your support and partnership. Wishing you a safe, restful, and joyful summer break.

Warm regards,

Dr. James Mosley  
Superintendent  
Yellowstone Schools
